

One Is Too Many

AUTO SAFETY 101

Safe Driving Factors:

- Always, Always Buckle-up
- Don't Speed
- Never Tailgate
- Take A Break When Tired
- Never Drink & Drive
- Back-up Only When Necessary
- Stay Focused
- Be Courteous To Other Drivers
- Always Be In-Control
- With ABS Brakes –
Hard On Brakes, Then Steer
- Look Far Ahead
- Plan Ahead And Take Your Time –
“It's Just As Easy To Be Early
As It Is To Be Late”
- Drive With A Safety Conscious
Attitude – The Best Defense
Against A Serious Crash
- Always Make Smart Choices –
Both As Driver Or Passenger
